While every effort is made to obtain colour accuracy, some variation during printing may occur. A.B.N. 62 005 736 005

**AGATE** (Villa Profile)

Named after the unique Agate gemstone, this beautiful tile shows all the variegated and banded colour so often seen in this prized stone. Its rich, earthy colour tones perfectly complement the Australian way of life.

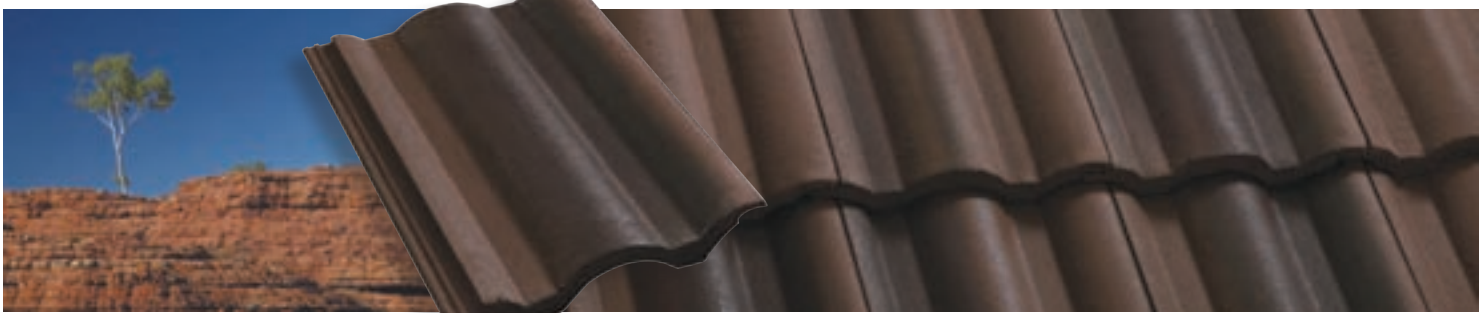

**ECLIPSE** (Alpine Profile)

Rare indeed... the magic of an eclipse captured in a tile. The Eclipse grabs the attention of any skyline with its dramatic colour delivery and profiles perfectly with most home styles.

**MARBLE** (Villa Profile)

Marble is a classic, cultural symbol associated with tradition and refined taste. Our tile represents all that is to be admired in such an inspirational stone that is made from nature and re-created by us for you.

**ROCK FACE** (Villa Profile)

The Rockface tile has been named after the iconic images of the rugged Australian gorges so often seen and yet never forgotten. The beautiful colours of reds, oranges and chocolates are showcased in a blend of earthy style.

HARMONY ELEMENTS COLOUR-THRU TILES  
THE COLOURS OF EARTH UNCOVERED

The Harmony Elements Colour-Thru Collection has been created to reflect the natural perception of the earth's atmosphere and its textures and minerals. These unique tiles deliver a wonderful combination of colour and tone that are synonymous with the elements each represents and provide a strong statement of contemporary design and form in a truly Australian style. We are proud to uncover our Harmony Elements Colour-Thru Collection.

**GARNET** (Villa Profile)

There is sometimes pure colour magic in nature. Our Garnet tile reflects just that with the varying, deep iron red colour that Australians are so endeared to through images of our great landscape. It is a tile for everyone.

**HIGHLAND** (Villa Profile)

The elevated image of our Highland tile portrays the colour that the shadows from our hills brings to the Australian landscape. Dark, settling and with everlasting style.

**STRATA** (Alpine Profile)

Natures work across the ages gives us images of rock layer upon rock layer resulting in earthy colour tones that sit so comfortably with most architectural forms. From the past comes your colour choice.

**TITANIUM** (Villa Profile)

Our Titanium tile represents a modern finish that complements the geometry of contemporary architecture. Titanium's often exotic reputation is the inspiration for such a perfect tile
